    - If an officer must later resign, a form resignation should be presented to the organization.
    - If an officer must be removed from office due to an inability to perform his/her duties, a 2/3 vote to remove the officer should be taken at a group meeting and recorded in minutes.
    - In both cases, the new election should be held as soon as possible.
  - All officers and club members must purchase an ASB card. It is from this money that ASB is able to support activities, including Athletics, on Issaquah's campus. Advisors should notify the Activity Coordinator once officers are elected.
  - All club/activity/organization presidents report to the ASB Clubs Director, who serves as their primary link with Issaquah student government board.

- Any club that involves physical activity or the use of gardening tools must have a signed “Informed Consent Form” on file for each student participant.

  - The budget should be updated at the year’s end (correlating budget and actual spending) included in the club’s final year-end report to ASB.
  - Advisors and officers need to keep a running book of expenditures and check monthly with the ASB Bookkeeper for accuracy.
- A club should have accurate records of meetings
  - **All clubs are required to submit minutes for meetings where financial decisions are discussed.** These minutes should be uploaded to the club folder on google drive and a copy should be kept in the club binder. These records need to be produced upon request by the auditors, Activity Coordinator, ASB Bookkeeper, administrators, etc. and are mandated by state law for organizations operating under the ASB umbrella.
- The following items must be uploaded to the club’s google drive folder:
  - Meeting Attendance
  - Constitution

## **Community Service Opportunities**

Issaquah High School and the Issaquah School District recognize that volunteering connects students to their communities and provides an opportunity for students to practice and apply their academic and social skills in preparation for entering the workforce.

Clubs/interest groups can inform their members of a community service opportunity.

However, if clubs are merely informing students of an opportunity it is important to understand and state to parents and families the following:

“The Issaquah School District does not endorse or sponsor this event. This is not a required club event and staff will not be supervising the event. This information is listed as a resource for you convenience.”

Making sure to make this statement avoids confusion between parents and students as to what is a IHS sponsored event which requires chaperones and supervision vs one that IHS is merely informing students of.

## ASB Finance

The use of ASB funds is regulated by Washington State law. Since ASB funds include money generated BY students FOR student use the state auditors maintain a watchful eye over all procedures. Be sure to follow to steps below when purchasing items for your club.

### *Golden Rules of Finance for ASB Advisors*

1. Public money, generated by the students or in the name of students, may be used for Cultural, Athletic, Recreational or **Social (CARS)** purposes, which are optional and non-credit.
2. All fundraising activities must be requested and approved through your ASB **2 weeks PRIOR** to starting your fundraiser. Fundraising forms are available on the NSD website or from your ASB Bookkeeper.
3. Keep records of all student registrations, amounts paid and attendance at ASB-sponsored camps. Turn monies in daily to the ASB Bookkeeper. When camp is completed, supply all documentation to the ASB Bookkeeper for auditing purposes.
4. Verify that Booster Club fundraising is not an ASB activity. Money raised during the school day, on school property and/or using school personnel, using students and/or using school materials is ASB/public money.
5. ASB funds are restricted public funds and cannot be used for curricular purposes or given away for private use. Students and staff must collaborate on the generation and use of public money
6. Request and have approval for ASB funds **PRIOR** to making purchases. Plan ahead. Do not purchase anything with your own money without prior approval.
7. Do not use cash from a sale or a fundraiser to buy any additional items. Per state law all money **MUST** be deposited **INTACT**, which means cash and checks are deposited as they are received.
8. Work with your ASB Bookkeeper and use a purchase order to purchase items for the team/club. Do not have items sent to a private residence—always use the school address or the Warehouse.
9. Secure any inventory that is associated with your program—account for it.
10. Do not take ASB money home for safekeeping or deposit it in a personal checking/savings account. Make arrangements with your ASB Bookkeeper.
11. **Do not sign contracts with vendors**—including rental agreements, lease agreements or reserving park space. Administration must sign all contracts.
12. If in doubt, ask questions. Don't assume! Call your Athletic Director, Activity Coordinator, ASB Bookkeeper or the district Business Office.

## Purchasing and Expenditures

Complete the following steps when using ASB funds to make a purchase.

1. Identify the possible purchases you will be making.
2. Verify that the store you have chosen will take purchase orders.
3. Obtain a Purchase Order Request form from the Bookkeeper. A Purchase Order Request and the approved purchase order must be completed and approved before you order any item. This includes items for reimbursement. An individual student or staff member is NOT authorized to commit Issaquah School District ASB money. Only advisors and approved staff may be reimbursed per District policy; no students or parents can get reimbursed.
4. Complete the Purchase Order Request form in its entirety. Be sure to include all necessary paperwork is included when you submit the PO (contracts, W-9s, PSAs, quotes, invoices, registrations, etc.). In the space provided for the purpose of the items please identify the specific activity you need the items for and the date of the activity.
5. Obtain the club advisor's signature for approval
6. Submit the completed Purchase Order Request form to the ASB Bookkeeper at least 14 days prior to the date the purchase will be made
7. If the Purchase Order is hand carry, the bookkeeper will notify the advisor that the PO is ready for use. Only advisors may hand carry purchase orders..
  - Bring back the blue copy of the PO and ORIGINAL itemized receipts (not just a credit card receipt) or paperwork to the ASB Bookkeeper as soon as possible. The original receipt must include the advisor's signature. **ASB cannot pay charges unless the Bookkeeper receives these items!**
8. Remember that items purchased on a school purchase order become the school's property. Items of a personal nature cannot be purchased with ASB money.

- Only Issaquah School District employees can be reimbursed for items purchased for clubs used
- Principals/Department Heads must give prior approval for a purchase
  - By signing the materials reimbursement form, the supervisor is verifying that the employee had prior approval.

  - Receipts must include:
    - Original *itemized* document from vendor showing zero balance

# Fundraising

## ***Fundraising Approval Process***

All fundraisers must have prior approval through the ASB Bookkeeper, Activity Coordinator, and administration. Groups should complete a Fundraiser Request Form (available in ASB Bookkeeper's office) and submit it to the ASB bookkeeper at least two weeks prior to the start of fundraising. Advisors should note that it takes from two to six weeks to receive goods to sell and plan accordingly.

## ***Fundraising***

In an effort to raise money, many organizations will sponsor fundraising activities. The steps for conducting a fundraiser are listed below:

1. Complete a Fundraiser Request form and submit it to the ASB Bookkeeper.
2. Your approved Fundraiser Request form will be returned to the advisor, and you may begin the fundraising event/activity.
3. Upon approval, order all needed materials with a purchase order (see "Purchases and Expenditures" section above).
4. If needed, request a cash box from the ASB Bookkeeper. Be sure to identify the date you are intending to start the fundraiser, so you may pick up the cash box at that time.
5. Be sure anyone who is handling money has training from the bookkeeper. Monitor the cash and sale of goods, follow the directions and complete the paperwork that the ASB Bookkeeper has provided you in the cash box.
6. Turn in ALL money to the ASB Bookkeeper for deposit. Do NOT keep any money for making purchases or paying expenses. It is illegal to retain any money from your fundraiser in any way; all money must be turned in to the bookkeeper that day.

## ***Cash Box Requests***

Please send the ASB Bookkeeper an e-mail 3 days in advance if you will need a cashbox for any reason. A cash box must be obtained whenever funds are being generated for an ASB-approved activity, even if it is approved to occur off campus.

Procedures for obtaining a cash box are as follows:

1. Submit a Fundraising Request form to the ASB Bookkeeper.
2. Inform the ASB Bookkeeper that you will need a cash box 3 days prior to your event.
3. Arrange for pick-up and drop-off of the cash box with the bookkeeper.
4. Remember, after use of the cash box two people must count and band all money. Complete the summary form in the box and sign the bottom.
5. Return cashbox to book keeper.

## ***Tips for Handling Money***

- ALL money collected at an event MUST be turned in to the Bookkeeper with all required paperwork immediately following the event (there is a safe drop box located outside of the bookkeeper's office). Expenses for the event cannot be paid out of cash receipts.
- No money can be "salted away" by the advisor to be used as a "petty cash" slush fund.
- Club funds earned by fundraising cannot be used to purchase goods for private use, such as clothing or food. Club members must pay for or provide their own items.

## ***Donations***

- Any donations (monetary or material) made to a club become property of Issaquah High School.
- Monetary donations must be donated to a club's account through the book keeper.
- Material donations must be kept on record and remain in the club's possession.

## ***Sponsorships and Advertising***

- Profit Distribution greater than \$500 (per vendor, per year) will be determined by the Business Office. Profit distribution less than \$500 will remain at the school level according to the principal's discretion.
- Any advertising/sponsorship agreement with an outside group must be recorded through a written contract using ISD Form 4321 F.
- The sponsorship product, service, and advertisement must be consistent with district, state, WIIA, and federal regulations.
- Displaying ads on students and staff is prohibited. ISD limits advertising to facilities, scoreboard, printed extra-curricular material, and airtime during extra-curricular activities.
- Advertisements must be temporary in nature.
- The following types of advertisements/sponsorships are not allowed:
  - Advertisement(s) for cigarettes, liquor, illicit drugs, or drug paraphernalia
  - Advertisement(s) promoting or disparaging any religion or religious belief.
  - Advertisement(s) promoting or disparaging any political candidate or cause.
  - Advertisement(s) that may cause a material and substantial disruption of school activities. (Disruption is defined as student rioting, unlawful seizures of property, or substantial student participation in a school boycott, sit-in, walk-out, or other related form of activity.)
  - Advertisement(s) containing obscene content. Obscene expressions are those that, applying contemporary community standards, appeal to prurient interests; depict or describe in a patently offensive way sexual conduct specifically defined by applicable state law; and taken as a whole, lack serious literary, artistic, political, or scientific value.
  - Advertisement(s) with content that is reasonably determined to be false, misleading, inaccurate, and/or potentially libelous. The expression will be considered libelous when it includes defamatory falsehoods about an individual or organization.
  - Advertisement(s) that are inappropriate for the age and/or maturity of students in the foreseeable audience

## **Reserving and Using of School Facilities**

The use of any interior or exterior school facility at any time during the day or evening must be arranged with the Athletic and Activities Secretary who coordinates building use through the master calendar. This is ensure that there are not scheduling conflicts and that adequate time is allowed to clean and maintain the facility.

Obtain an **Activity Request Form** from Ms. Couty, the Athletic and Activities Secretary. Please completely fill out the form at least 2 weeks in advance. A layout design is important as well, if you wish the custodians to set up an area such as the Commons. This can be in the form of a map or floor plan. A technical description is helpful if either theater is requested. If a large crowd is present or perishable food items are served, a custodian will be required and will be paid from your organization's ASB account.

### ***General Information***

- Schedule any events and facilities with the advisor and Athletic and Activities as far ahead of as possible. Remember, Facility Request Forms must be turned in at least two weeks prior to use.
- Be sure to arrange for use of equipment ahead of time. Some equipment requires supervision.
- Make sure equipment and supplies are in good working order and available when you want them.
- Be sure all necessary personal are contacted as to their responsibilities (specifically administrators and custodians).
- Remember that everything must return back to its original state when finished; any school facility must be put back to its original condition, ready to go for the next school day. It is your responsibility to arrange for appropriate setup and cleanup of the facility.
- If any equipment is broke while you are using it please notify the Activities Coordinator so they can fix it for the next group that would like to you it.
- All volunteers and chaperones (including parents) for any activities and clubs must complete a background check.
- The advisor must be present at all times whenever students are involved in the use of school facilities. Students are expected to be on hand to help setup for an event.
- Students are expected to return school equipment or furniture to its usual location at the conclusion of the activity. The sponsoring organization is also expected to conduct general cleanup.

## ***Clean-Up***

School groups that sponsor an activity/event or hold a meeting outside the advisor's classroom should remember to clean up the area when finished. Large events (substantial crowds or ones at which food is served) will require custodial assistance on a paid basis if the custodial workday must be extended to accommodate your request. Be sure to note your needs in the Facility Request Form. Banquet type functions will need to be in the commons.

Please do not use duct tape on any part of the Issaquah Campus. Blue painters tape may be purchased at large home improvement stores or drama supply stores.

## ***Supervising and Advising Students (For Advisors)***

A safe and secure environment is essential in all school functions. All students need guidance and need to feel safe as they participate in co-curricular activities. Furthermore, there are school district policies as well as laws governing the supervision of students. An advisor should be aware of these rules both for the safety of the student and for his/her own protection.

**Students are not to be left unsupervised at any school activity or function.**

**Supervision should be direct—you or your proper school designee must be with the students at all times.** If the advisor is unable to attend they must arrange for alternate supervision- this must be an ISD staff member (not a parent). **If any funds are being exchanged an ISD staff member must be present at the event.** You should not place yourself in the situation of being alone with a student in an isolated situation, for the protection of both parties. Communicate with and enlist the help of parents for assistance with supervision, but never without a staff person present as well.

Inform students of appropriate group behavior and conduct, meeting procedural skills (like parliamentary procedure and the taking of minutes). Make sure to be visible and available for all activities, meetings, and projects for your club.
